Student Membership Application

NYSR is a non-profit group established in 1985 and is open to all practicing professional renderers working in the New York market. We seek to promote the work of our members through publications, the internet, exhibitions and referrals. We act as a forum to establish professional standards and discuss business issues affecting renderers today.

Dues are collected annually in January and will fund administrative cost, advertising costs and special events.

Payment of dues will also insure your presence on the NYSR Website.

Student Membership Dues: \$ 35.00*

Please make check payable to New York Society of Renderers.

Amount enclosed: _____
